

U.S. DEPARTMENT OF ENERGY
Portsmouth Gaseous Diffusion Plant

A-Plant Demolition Air Quality

X-326 Process Building Demolition Air Monitoring Results

You are invited to join us for a

VIRTUAL
Public Meeting

Join the U.S. Department of Energy for the **fourth set** in a series of virtual meetings to discuss environmental data from air monitoring being performed during demolition of the former Portsmouth Gaseous Diffusion Plant in Pike County, Ohio. This meeting will address real-time monitoring results since the first meeting, along with the co-located monitoring beyond the project boundary.

- **When:** The meeting is being held twice to accommodate schedules:

July 19 & July 21 - 6:00 p.m.

- **Where:** www.portsvirtualevent.com

Submit your questions before, during or after the meeting at ports-demo-questions@pppo.gov
